Dear Supporter:

On behalf of the clients, volunteers and staff of the Calgary Inter-Faith Food Bank Society, please accept our sincere thanks and appreciation for your donation of 910 lbs of mixed food. Thank you for the generous donation of falafel!

Your donation helps to nourish those in the community who need it most.

A while ago, I was walking through the parking lot of the Calgary Food Bank. A young woman loading groceries into her car turned to me and said, 'I feel uplifted. Better. I'm okay now.' She had been injured and lost her job. A man with a baby in his arms walked into the food distribution area. I commented on how cute the little girl was. 'Yes', he said, 'I'm her grandpa. She's just got me now.'

After the early September snowstorm, a couple told me, 'We didn't have power for ten days. Our freezer had just been stocked and all our food had to be thrown out. We had to pay an electrician to get us up and running. There was no money left.'

This is what happens every day at the Calgary Food Bank, stories of loss, struggle and most importantly, hope. Hope is what you provide. Through your support, individuals and families in crisis are given quality, nutritious food and access to resources to help them get back on their feet. You tell people they are not alone. Thank you.

Sincerely,
